Comments from the Clubhouse:

"After reviewing your DVD a second time, I played in a Pro-Am Tournament the next day. Utilizing just a few principles from the program I had my best round in months with my driver. Every drive I hit was extremely solid resulting in longer and straighter drives."

Everybody talks about playing in the zone, and I feel this DVD begins to bridge the gap from talking about playing in the zone to actually showing you the road map to get there."

Jerry Reymond, Lead Instructor, Summit Golf Academy, Port Orange, FL

Pro-golfer Randy Taylor had not won a tournament in 8 years. A week after taking Par and Beyond he placed second in a tournament, coming within one stroke of a tie for first place.
